Petfood

Dried pre-baked potato

Dried pre-baked potato is produced during the processing of French fries and other potato specialties. The product is a collection of food grade product that do not match size or color. The pre-baked potato product is made from 100% potatoes. The potatoes are washed, sliced, fried and finally dried. The product is high in fat and heat-treated starch and has an European origin.

The product complies with applicable laws and regulations. Mycotoxins, insecticides, pesticides and herbicides are tested according to the GMP+ FSA standards. The product is non-GMO (according to Regulation (EG) 1829/2003 and 1830/2003).

Valid from 28 July 2022
